

Wear and Tear Plan

This Wear and Tear Plan covers essential wear-and-tear components and related labour charges that are not typically covered under a manufacturer or extended service plan.

What Is Covered

- Brake pads and brake shoes
- Front and rear brake discs
- Brake drums and disk skimming
- Wiper blades
- Battery
- Clutch
- Belts and hoses
- Shock absorbers
- Electrical capped benefits

Additional Electrical Benefits

Covered Electrical Components
Wiring Repairs
Globes
Fuses
Remote Batteries and Key Re-coding

Key Benefits

- Protection against common wear-and-tear costs
- Cover for essential replacement components
- Additional capped electrical benefits
- Transferable to a new owner when fully paid up

Service Requirements

All servicing and repairs must be carried out at an approved dealer or independent service provider that complies with manufacturer servicing requirements.

Please refer to the full Wear and Tear Plan terms and conditions for complete cover details, exclusions, and servicing requirements.
